The results for those filling out the survey in person at the library showed that the overall impression of the library remains very high only 1.5% dissatisfied. 69% of respondents indicated they were highly satisfied and another 29.5% were satisfied.

Library In-service Program.

The Library Board was invited to join staff and the Friends Board at an in-service training session on April 7, 2006. The topic is: Communication Styles – How Diversity Affects Us.

REPORTS & COMMUNICATIONS

Director's Report.

The growth in use of the library is becoming overwhelming, particularly for the Circulation Department. We are working on ways to keep up with the workflow. We held our annual survey of patrons to measure their level of satisfaction with us. This year we noticed a drop in satisfaction with the facility. This is the first year we had the survey available online from our Webpage. We are holding an in-service for staff, Library Board Members and Friends of the Library Board Members on April 7th. Maureen Burns will work with us on Communication Styles and how diversity affects us.

Board Member's Comments

Eisenbacher asked about the Exhibit Policy, particularly concerning the posting of pricing information. We will review the policy at the April meeting. Zembrzuski asked if the Library Calendar could be posted at the Community Center.
